

DALMATIAN CULTURAL SOCIETY FUNCTION PACK

DALMATIAN CULTURAL SOCIETY FUNCTIONS

Villa Dalmacija is proud to offer our venue for your next function. We have two large function rooms, an outdoor balcony, delicious catering, a fully licensed bar, and a dedicated event and catering team to ensure your function exceeds your expectations. Centrally located in New North Road, Eden Terrace, Villa Dalmacija is close to the city and has easy access to all the motorways.

“From the very start Vojna and her team at the Dalmatian club went out of their way to make our event a success. A planning meeting ensured that all our needs were covered for the event, from the decorating of the tables and hall, delivery of exhibition panels, to the use of the piano, overhead projector and sound system and of course, most importantly, the menu”
